## Education

**New York University Abu Dhabi** (2021 - 2025)  
3.9 GPA, Founder's Day Award - Honors Scholar  
*BA in Interactive Media, Minor in Music*

## Experience

**Creative Technologist at The Hanging House** - Dubai, UAE (Aug 2025 – Aug 2026)

*The Hanging House is an experiential agency that leverages creative technology to deliver innovative and impactful brand experiences for top regional and global clients.*

- Designed interactive brand experiences for clients in tech, healthcare, and automotive sectors, delivering high-quality prototypes, wireframes, and UI systems.
- Played a key role in winning creative pitches by shaping concept direction and user journeys, designing custom visual assets and motion graphics aligned with client objectives.
- Conducted in-depth tech and experience research, applying insights from case studies and emerging technologies to enhance user engagement and project outcomes.

**Design Intern at Lovely Studio** - New York & Barcelona (May – Aug 2024)

*Lovely Studio is a design studio specializing in UX/UI design and digital branding.*

- Designed websites, mobile apps, and social media content for clients, pitching original design concepts in Figma.
- Contributed to digital branding strategies, offering insights to improve clients' digital presence and user experience.

**Intern at September Recordings** - Los Angeles, California (Jan – May 2023)

*September is a record label known for representing artists like Adele, Rick Rubin, and Rosalía.*

- Designed website content and promotional materials for artists, including posters and flyers.
- Contributed to creative direction for album campaigns and managed rollout strategies.
- Provided input on talent acquisition during A&R meetings and pitched independent artists.

**Intern at Fat Cat Jazz Club** - Ulaanbaatar, Mongolia (Aug – Nov 2019)

*Fat Cat is a vibrant underground jazz club contributing to the local music scene.*

- Developed a website for the business and designed captivating posters for various events.
- Established a membership card and booking system, fostering a loyal customer base.
- Co-organized weekly concerts and managed merchandise sales.
